The Commonwealth of Massachusetts and the

Executive Office of Elder Affairs congratulate the

40,000 volunteers who serve elders involved in statefunded programs. They continue to be a source of

strength and inspiration to all who champion the dignity
and independence of Massachusetts' 1.1 million older
residents.

The annual Silver DOVE Awards were created in 1992 to celebrate 10 annual volunteers who performed "above and beyond the call of duty." Each volunteer has enhanced the quality of life for elders, and that spirit of benevolence has touched every citizen in Massachusetts. We want to acknowledge the debt of gratitude the Commonwealth owes to its volunteers and to the Silver DOVE recipients in particular -- volunteers who have enriched us all by giving so much of themselves.

On behalf of every citizen in Massachusetts, we thank each and every volunteer for helping to make service to elders a priority of which we can be proud.
